

2003 awards

## financial control & accounting

# Frank Linde

In recognition of achieving a **COMMENDED** award in the Business Delivery category as part of the team for the **Jewel divestment project – support by F&A**

All over the world, the FC&A function and wider financial community delivers real value to the company through their achievements. Your application has helped to highlight these achievements and to raise the profile of our community's contribution to the success of BP.

On behalf of the CLT  
(FC&A Control Leadership Team)
